**A MESSAGE FROM THE MAYOR:**  
Dear Friends,  
Bicycling is a great way to get around the District of Columbia. It can save time and money, keep you in shape, and help reduce congestion and pollution.  
We are working hard to make Washington one of the most bike-friendly cities in the country. We have more than 100 miles of bike lanes and trails; Capital Bikeshare is the country's largest bike-sharing system; we are currently building and improving major trails along the Anacostia River, Oxon Run, Rock Creek and the Metropolitan Branch corridor; we install hundreds of bicycle parking racks throughout District every year; and we teach bicycle safety to thousands of adults and children.  
I strongly encourage everyone to please ride safely and follow the rules of the road. Let us know if you have suggestions for how to make our city even more bike-friendly.

*Vincent C. Gray*  
Mayor

## SAFETY TIPS

Whether riding Capital Bikeshare or your own bike, share the road and share the responsibility for making your bike trip a safe one. Cyclists, motorists, and pedestrians get along better when they show courtesy and consideration.

**WEAR A HELMET.**  
Helmets dramatically reduce the risk of head injury in a bicycle accident.

**RIDE ON SIDEWALKS ONLY WHEN NECESSARY** and always yield to pedestrians. Riding on the sidewalk is illegal in downtown Washington, DC.

**FOLLOW ALL TRAFFIC LAWS.**  
Bicyclists are required to obey all regulatory signs and traffic lights.

**USE HAND SIGNALS** to tell motorists, cyclists, and pedestrians what you intend to do. Be predictable.

**BEWARE OF PARKED CAR DOORS—THEY CAN OPEN AT ANY TIME.** Ride at least 5 feet away from parked vehicles.

**BE CAREFUL AT INTERSECTIONS.** Use caution since most collisions occur at intersections. Watch for turning vehicles.

**NEVER RIDE AGAINST TRAFFIC.** Ride with traffic to avoid potential crashes.

**DO NOT DODGE BETWEEN PARKED CARS.** Ride in a straight line at least 5 feet away from parked cars.

**RIDE IN SINGLE FILE,** except when passing.

**BE ALERT.** Scan the road. Always know your surroundings.
